

# Senior ESG Consultant

Senior Consultant opportunity at London-based boutique sustainability consultancy Orbis Advisory. We are looking for a goal-oriented, creative, and proactive individual excited about the opportunity to manage and grow a team.

## Qualifications:

The ideal candidate will have over 5 years of experience within carbon and sustainability services, ideally with a Master's degree in a relevant subject.

### Technical requirements:

- Knowledge of carbon accounting and reporting (GHG Protocol)
- Knowledge of climate resilience and adaptation (TCFD)
- Strong understanding of regulatory compliance and risk mitigation (SECR, ESOS/ EED, MEES, SECR, SDR)
- Ability to carry out and manage carbon, energy and sustainability benchmarking for clients (GRESB, GRESBI, CDP, UN PRI)
- Understanding of ESG ratings (MSCI, Sustainalytics, EPRA)
- Experience delivering Environmental, Social, and Governance (ESG) strategies
- Knowledge of Science-Based Targets, SDGs and wider ESG targets

### Non-technical requirements:

- Strong analytical and problem-solving skills with an ability produce well-presented, error-free results
- Strong commercial skills and experience working in client-oriented consulting in the private sector
- Excellent organisational skills with the ability to manage complex project deliveries across multiple simultaneous client engagements
- Excellent communication skills, with the ability to present information confidently in front of an audience, conduct client workshops and represent Orbis Advisory externally
- Effective writing skills, with an ability to write concise, compelling and well-structured reports
- Strong people skills, with an ability to create networks of clients and manage a team of analysts and consultants
- Interest in the strategic development of the company through involvement in discussions with Orbis Advisory's Director and Chairman
- A passion and experience managing a team

## **Relationships:**

Collaboration with Director and Chairman of Orbis Advisory.

Close cooperation with all members of the team, in both advisory and sales positions, to achieve company objectives.

External relationships are a key part of the role, with a requirement to liaise with project teams, clients, overseas offices, and representatives from partner organizations.

## **Language**

English with fluency in a second language as a plus.

## **Remuneration and Resourcing:**

Full-time employment, with 6 month probation period.

Competitive salary in line with experience.

## **Location**

The position will be based in our Victoria office with travel around the county and internationally required for some clients.

**Interested in working towards a world where businesses put people and planet first, and assist in the fight against climate change? Contact us!**

**Please send your application (CV and cover letter in English indicating your earliest possible start date) to: [rupert@orbisadvisory.com](mailto:rupert@orbisadvisory.com)**

**Please note that we will be conducting interviews on a rolling basis, so don't wait to apply!**

**We are committed to building a diverse team and encourage applications from under-represented and minority candidates.**
